Bharatesh College of Computer Applications

Bachelor of Computer Applications (BCA), 77.68%

2020

Karnataka State Board

Pre-University Course (PUC), 60%

Karnataka State Board

SSLC, 91.68%

EXPERIENCE

Spring Boot Intern

Present

Tranforge Solution

- Develop backend applications using Java and Spring Boot.
- Build REST APIs and implement CRUD operations.
- Integrate MySQL databases with backend applications.
- Collaborate with the development team on project implementation and testing.

Backend Database Intern

2019

Mobiezy Solution

- Assisted in database management and data validation.
- Supported backend data processing and database maintenance.

Lab Incharge

1 Year

KLE BCA College, Sankeshwar

- Managed computer laboratory operations and system maintenance.
- Assisted faculty and students during laboratory sessions.

PROJECTS

VERIFACE: Digital Attendance System | Technologies: Python, Flask, OpenCV, MediaPipe, Scikit-learn, SQLite, HTML, CSS, JavaScript

- Developed an AI-based attendance system using facial recognition.
- Implemented real-time face detection with MediaPipe and attendance management using Flask.
- Integrated SQLite for secure storage of student and attendance records.

Hunting Miles Showroom Management System | Technologies: Java, SQL

- Developed a showroom management system for vehicle inventory, customer records, spare parts, and service management.
- Implemented CRUD operations and report generation for efficient data management.

TECHNICAL SKILLS

Programming Languages: Java, Python, C, SQL

Backend: Spring Boot, Flask, REST APIs, CRUD Operations

Web Technologies: HTML, CSS, JavaScript, Angular

Database: MySQL, SQLite, RDBMS

Tools: Git, GitHub, Microsoft Office, Microsoft Excel, Figma

CERTIFICATIONS

AWS Fundamentals – Udemy

ACHIEVEMENTS

- Secured First Rank in the First Semester of BCA under Rani Channamma University. - Awarded Kannada Pratibha Puraskar for securing 125/125 in Kannada. - Participated in technical workshops on Big Data (Hadoop) and Internet of Things (IoT).

STRENGTHS

- Analytical Thinking - Problem Solving - Quick Learner - Team Collaboration - Adaptability

LANGUAGES

- English - Kannada - Hindi
